PREPARATION OF BIDS:

Bids shall be submitted on the forms provided and must be signed by the Bidder or the Bidder's authorized representative. The person signing the bid shall initial any corrections to entries made on the bid forms.

Bidders must quote on all items appearing on the bid forms unless specific directions in the advertisement, on the bid form or in the special provisions allowed for partial bids. Failure to quote on all items may disqualify the bid. When bids on all items are not required, bidders shall insert the words "no bid" where appropriate.

Alternative bids will be considered, unless otherwise stated, only if the alternate is: (1) Described completely, including, but not limited to, sample(s), if requested, and specifications sufficient so that a comparison to the request can be made; and (2) Submitted as part of the base bid response, i.e. it shall not be a separate document which could be construed as a second bid.

Unless otherwise stated in the Request, the bidder agrees that the bid shall be deemed open for acceptance for Sixty (60) calendar days subsequent to submittal to the City of Concord.

Any questions or inquiries must be submitted in writing, and must be received by the Purchasing Agent no later than seven (7) calendar days before the Request for Bids due date to be considered. Any changes to the Request for Bids will be provided to all bidders of record.

The bidder shall not divulge, discuss or compare this bid with the bid of any other bidders and shall not collude with any other bidder or parties to a bid whatever. (Note: No premiums, rebates or gratuities permitted either with, prior to, or after any delivery of materials shall be allowed. Any such violation will result in the cancellation and/or return of materials, as applicable, and the removal from Bid List).

The name of manufacturer, trade name, or catalog number mentioned in this request for bids description is for the purpose of designating a minimum standard of quality and type. Such references are not intended to be restrictive, although specified color, type of material and specified measurements may be mandatory. Proposals will be considered for any brand that meets or exceeds the quality of the specifications listed. On all such proposals, the bidder shall specify the product they are proposing and shall supply sufficient data to enable a comparison to be made with the particular brand or manufacturer specified. Failure to submit the above may be sufficient grounds for rejection of the proposal.

When samples are required, they must be submitted free of cost and will be returned unless otherwise specified. Items left for demonstration purposes shall be delivered and installed free of charge and shall be removed by the vendor at no cost to the City. Said demonstration units shall not be offered to the City as new equipment unless mutually agreed to.

The vendor may be required to supply proof of compliance with bid specifications. When requested, the vendor must immediately supply the City with certified test results or certificates of compliance. Where none are available, the City may require independent laboratory testing. All costs for such testing, certified test results or certificates of compliance, shall be the responsibility of the vendor.

BIDDERS INTERESTED IN MORE THAN ONE BID:

If more than one bid is offered by any one party, or by any person or persons representing a party, all such bids shall be rejected. A party who has quoted prices to a bidder is not thereby disqualified from quoting prices to other bidders or from submitting a direct bid in its own behalf.

NO TELEPHONE REQUESTS FOR RESULTS WILL BE ACCEPTED OR GIVEN.

TIE BIDS:

When identical low bids are received, with respect to price, delivery and quality, award may be made by a toss of coin, with the following exception: When a tie bid exists between a local (a business establishment within City limits) bidder and an out-of-town bidder, preference will be given to the local bidder. Any bidder having a local agent who is a bona fide resident of the City is considered a local bidder. If a tie bid exists between two local bidders, or two out-of-town bidders, the decision may be made by a toss of coin.
