ADDENDUM NUMBER ONE  
RFP45-07  
INFILTRATION INFLOW STUDY

TO ALL FIRMS OF RECORD: This addendum forms a part of and modifies the proposal and contract documents and technical specifications for the project named above. The following clarification is made to the original proposal documents:

1. **Question:** Does the City know how many flow meters would be required for this effort or is there mapping of the sewer system available so that we may determine the number and placement of the meters?

**Answer:** The City will not define where to put meters, this is what we want the successful consultant to do. Maps of the Penacook area Sanitary Sewer and Storm Water Collection System and the Sanitary Sewer Collection System are available on-line, in PDF format, at [www.onconcord.com/purchasing](http://www.onconcord.com/purchasing). Select Bids, then FY2007 Bids and Proposals and find RFP45-07, Addendum #1.

PLEASE BE ADVISED THAT THE PROPOSER MUST ACKNOWLEDGE RECEIPT OF ADDENDUM ONE ON THE PROPOSAL SHEET SIGNATURE PAGE.
