### ADDENDUM NUMBER TWO

RFP47-07

### RECREATIONAL PLANNING AND ENGINEERING DESIGN SERVICES

### WHITE PARK

TO ALL FIRMS OF RECORD: This addendum forms a part of and modifies the proposal and contract documents and technical specifications for the project named above. The following additions, changes and clarifications are made to the original proposal documents:

1. **Request for Proposals, Paragraph 2c-Alternative Design Services-Merrill/Kimball/Terrill Park, Page 16 of 33.** Delete all references to alternative design services for Terrill Park. The alternative design services for Merrill and Kimball Parks shall be submitted.
2. **White Park Geotechnical Survey or Soils Information.** No geotechnical survey or soils information pertaining to White Park is available. Engineers should include effort they deem necessary to accomplish the design services requested.
3. **Question:** Based on the RFP and the way it is written there is nothing mentioned as far as survey. What will the City need (boundary, topography, utilities, as-builts etc.) for the parks and what would be needed for each park? How would you suggest breaking these down for the parks?

**Answer:** Consultants are expected to perform survey necessary to complete the required design work. Survey detail, boundary, physical evidence, topography etc. are required.

PLEASE BE ADVISED THAT THE CONSULTANT MUST ACKNOWLEDGE RECEIPT OF ADDENDUM ONE AND TWO AS PART OF THE PROPOSAL SUBMISSION.
